Note 3 - Net Income (Loss) Per Common Share

Net Income (Loss) per common share is based on the weighted average number of common shares and common share equivalents during each of the periods. Primary and fully diluted earnings per share include the dilutive effect of unexercised stock options.

Note 4 - Notes Payable

The Company has a loan agreement with three banks for \$48,000,000 through January 30, 1996 and \$40,000,000 through May 31, 1996, of which \$40,000,000 through January 30, 1996 and \$32,000,000 through May 31, 1996 is available for direct borrowings and the unused balance for letters of credit. All amounts available for borrowings are subject to borrowing base formulas.

Note 5 - Nonrecurring Charges

As of the year ended January 31, 1995, the Company had a remaining reserve of approximately \$3.4 million related to a cost reduction program. The status of the components of the provision at July 31, 1995 was:

	Balance January 31, 1995 -----	1995 Activity -----	Balance July 31, 1995 -----

Item 2. Management's Discussion and Analysis of Financial Condition and Results of Operations.

Results of Operations

Net sales and revenues for the three months ended July 31, 1995 were \$36.0 million compared to \$48.2 million for the same period last year. For the six months ended July 31, 1995, net sales and revenues were \$45.3 million compared to \$68.3 million for the same period in the prior year. The decrease in net sales during the three and six month periods was primarily due to the recognition by the Company of only commission income on certain types of sales where the Company's customers provide letters of credit which are transferred by the Company directly to overseas manufacturers or where the Company's customer provided letters of credit directly to overseas manufacturers. Prior to the quarter ended July 31, 1994, the customer provided a letter of credit to the Company and the Company opened a letter of credit to the manufacturer. Accounting rules require the Company to recognize only commission income with respect to transactions where the Company does not open a letter of credit. The Company expects that it will increasingly utilize this type of transaction which results in the Company reporting lower net sales and revenues.

The Company recognized \$5.4 million and \$5.8 million of commission income in the three and six months ended July 31, 1995, respectively, compared to \$3.3 million in each of the comparable periods in the prior year. If the Company had recognized the full amount of sales from this type of transaction, net sales and

revenues would have been \$63.5 million and \$75.3 million, respectively, for such three and six month periods and, on a comparable basis, would have been \$64.9 million and \$85.2 million, respectively, for the same periods in the prior year. The decrease in net sales and revenues in the six month period was primarily due to lower net sales and revenues in the three months ended April 30, 1995. The unusually warm fall season of 1994 left retailers in an overstocked position adversely effecting sales during such period.

Gross profit was \$9.6 million for the three months ended July 31, 1995, compared to \$8.5 million in the same period last year. Gross profit as a percentage of net sales and revenues was 26.7% for the three months ended July 31, 1995, compared to 17.6% for the same period last year. For the six month period ended July 31, 1995, gross profit was \$10.3 million, or 22.7% of net sales and revenues, compared to \$10.1 million, or 14.8% of net sales and revenues, for the same period last year. While the change in the use of certain letters of credit to transact sales did not impact gross profit dollars, it did affect gross profit as a percentage of net sales and revenues since net sales and revenues recognized from such transactions were lower. Had the Company recognized the full amount of such sales, gross profit for the three and six months ended July 31, 1995 would have been 15.1% and 13.7%, respectively, of net sales and revenues, compared to 13.1% and 11.9%, respectively, for the same periods last year. The increase in the gross profit percentage was a result of improved margins in a majority of product lines as well as cost reductions resulting from closure of the Company's domestic manufacturing facilities.

Selling, general and administrative expenses of \$5.5 million for the three months ended July 31, 1995 were approximately \$800,000 less than in the same period last year. As a percentage of net sales and revenues, selling, general and administrative expenses were 15.3% in this period compared to 13.1% last year. For the six month period, selling general and administrative expenses were \$10.8 million, or 23.8% of net sales and revenues, compared to \$12.7 million, or 18.6% of net sales and revenues, for the same period last year. The increase as a percentage of net sales and revenues was the result of lower reported net sales and revenues as described above. The lower selling, general and administrative expenses were the result of the implementation of a cost reduction program which began in the second half of the prior fiscal year. The Company is continuing to monitor and reduce expense levels and expects selling, general and administrative expenses to continue to decrease for the remainder of the year, compared to last year, as a result of this program.

-8-

Interest expense of \$991,000 was \$71,000 lower in the quarter ended July 31, 1995, compared to interest expense of \$1,062,000 in the same period last year. For the six months ended July 31, 1995, interest expense was \$1,397,000, a decrease of \$154,000 from the prior year. The decrease is attributable to lower borrowing levels as a result of the Company maintaining lower levels of inventory, which more than offset higher interest rates and other financing costs.

Income taxes of \$1.4 million reflect an effective tax rate of 44.9% for the three months ended July 31, 1995, compared to income taxes of \$509,000 which reflect an effective tax rate of 44.5%, in the comparable period in the prior year. For the six months ended July 31, 1995, income tax benefit of \$620,000 reflects an effective tax rate of 32.0%, compared to an income tax benefit of \$1.8 million, or 44.6% in the same period last year. The decreased effective tax rate for the six months results from a lower provision for current year income taxes (40%), resulting from the state and local tax loss carry forward from the prior year, offset in part by additional federal taxes of \$157,000, due to an income tax audit for certain prior periods through January 31, 1993.

As a result of the foregoing, for the three month period ended July 31, 1995, the Company had net income of \$1.7 million, or \$.27 per share, compared to a net income of \$635,000, or \$.10 per share, for the comparable period in the prior year. For the six month period ended July 31, 1995, the Company had a net loss of \$1.3 million, or \$.20 per share, compared to a net loss of \$2.3 million, or \$.35 per share, for the same period in the prior year.

Liquidity and Capital Resources

The Company has a loan agreement, which expires May 31, 1996, providing for a collateralized working capital line of credit for a maximum amount of \$48 million through January 30, 1996 (reduced to \$40 million commencing January 31, 1996), of which a maximum of \$40 million (reduced to \$32 million commencing January 31, 1996) is available for direct borrowings and the unused balance for letters of credit. All amounts available for borrowings are subject to borrowing base formulas and overadvances specified in the agreement.

Direct borrowings bear interest at the agent's prime rate (8.75% as of September 1, 1995) plus 2%. All borrowings are collateralized by the assets of the Company. The loan agreement requires the Company, among other covenants, to maintain certain earnings and tangible net worth levels, and prohibits the payments of cash dividends. As of July 31, 1995, there was \$31.6 million of borrowings outstanding and approximately \$10.7 million of contingent liability under open letters of credit. The amount borrowed under the line of credit varies based on the Company's seasonal requirements. The current loan agreement reduced the maximum credit line available to the Company compared to the prior year. The Company is planning to carry lower levels of inventory in the current fiscal year compared to the prior year and, as a result, believes that this facility will be sufficient to meet its working capital needs. Inventories as of July 31, 1995 were \$32.5 million compared to \$57.8 million as of July 31, 1994.

The Company's majority-owned Indonesian subsidiary has a line of credit with a bank for approximately \$3.5 million which is supported by a \$2.0 million stand-by letter of credit issued under the Company's loan agreement. As of July 31, 1995, the borrowing by the Indonesian subsidiary under its line of credit approximated \$2.7 million.

Item 4. Submission of Matters to a Vote of Stockholders

(b) The Collateral Monitoring Agent shall render to each Bank promptly after the end of each week, or such shorter period as the Agent may determine (such week or shorter period being hereinafter referred to as a 'Settlement Period'), a summary statement of the Outstanding Obligations and each Bank's Share thereof for such period. If, as of the end of any Settlement Period, any Bank's Share of Loans is more than such Bank's Share for the previous Settlement Period, then such Bank shall transfer to the Collateral Monitoring Agent good funds for the amount of the increase (A) on the same Business Day that notice is given by the Collateral Monitoring Agent to the Bank if such notice is given prior to 12:00 p.m. and (B) no later than 12:00 p.m. on

any Bank to the Collateral Monitoring Agent hereunder, shall be sent by wire transfer to such party's respective account as set forth on the signature pages hereof. The Collateral Monitoring Agent agrees to mark its books and records each Settlement Period to show each Bank's Share of the Outstanding Obligations. The failure of any Bank to make a timely payment hereunder shall have no effect on such Bank's liability for such payment, it being understood that each Bank shall assume the risk to the extent of its Bank's Share of each Loan made or L/C, Acceptance, Steamship Guaranty or Airway Release issued as and when made or issued, as the case may be.

Section 2.4 Notes.

The Loans made by each Bank shall be evidenced by a single promissory note of the Borrower in substantially the form of Exhibit A hereto payable to such Bank (each, a 'Fourth Substituted Note' and collectively, the 'Fourth Substituted Notes'). Each Note shall be dated the date of this Agreement, shall be payable to the order of each Bank on a date not later than the Commitment Termination Date in a principal amount equal to such Bank's Commitment as originally in effect, and shall otherwise be duly completed. The Notes shall be payable as provided in Section 2.7 hereof.

Section 2.5 Interest.

(a) The Borrower shall pay to the Collateral Monitoring Agent, for the ratable benefit of the Banks, interest on the daily balances of the Loans outstanding during the preceding month for the period commencing on the date of each such Loan until such Loan shall be paid in full at a rate equal to two (2%) percent per annum in excess of the Prime Rate.

(b) Notwithstanding the foregoing, the Borrower shall pay interest on any Loan or any installment thereof, and on any other amount payable by the Borrower hereunder (to the extent permitted by law) that shall not be paid in full when due (whether at stated maturity, by acceleration or otherwise) for the period commencing on the due date thereof until the same is paid in full at the Post-Default Rate.

(c) Except as provided in the next sentence, accrued interest on each Loan shall be payable not later than monthly on the Monthly Dates. Interest that is payable at the Post-Default Rate shall be payable from time to time on demand of the Collateral Monitoring Agent.

(d) Anything in this Agreement or any of the Notes to the contrary notwithstanding, the obligation of the Borrower to make payments of interest shall be subject to the limitation that payments of interest shall not be required to be made to any Bank

-26-

to the extent that such Bank's receipt thereof would not be permissible under the law or laws applicable to such Bank limiting rates of interest that may be charged or collected by such Bank. Any such payments of interest that are not made as a result of the limitation referred to in the preceding sentence shall

be made by the Borrower to such Bank on the earliest interest payment date or dates on which the receipt thereof would be permissible under the laws applicable to such Bank limiting rates of interest that may be charged or collected by such Bank. Such deferred interest shall not bear interest.

Section 2.6 Fees.

(a) The Borrower shall pay to the Agent, for the ratable benefit of the Banks, a non-refundable advisory fee (the 'Advisory Fee') in the amount of \$500,000 payable as follows:

(i) \$125,000 paid upon execution of the Letter Agreement, dated April 27, 1995, among the Borrower and the Banks; and

(ii) \$125,000 payable not later than December 31, 1995; and

(iii) \$250,000 payable not later than February 29, 1996; provided, however, that this portion of the Advisory Fee will be waived if (x) at all times during the period commencing with the date of this Agreement and ending on February 29, 1996 (A) the Borrower has been in compliance with the financial covenants described in subsections 6.9(c) and 6.9(d) below and (B) Outstanding Obligations have not exceeded the Borrowing Base, and (y) all Loans and Acceptances (but not Standby Letters of Credit) are paid in full on at least five consecutive Business Days during the period commencing on January 1, 1996 and ending on February 29, 1996; provided, however, that if Acceptances are outstanding during the months of January and February 1996, the Borrower will nevertheless be deemed to have satisfied the requirement in clause (y) above if the Collateral Monitoring Agent is holding for the account of the Borrower during such consecutive five Business Day period excess Cash in an amount which would be sufficient to prepay such outstanding Acceptances.

(b) Upon each drawing under an L/C, the Borrower or Hong Kong, as the case may be, shall pay to the Issuing Bank, for the ratable benefit of the Banks, a drawing fee (the 'Drawing Fee') computed at the rate of five-sixteenths of one (5/16%) percent per annum of the face amount of such drawing, but in no event shall the Drawing Fee be less than \$70.00.

(c) Upon the execution and delivery by the Borrower of an Application for a Standby L/C, the Borrower shall pay to the Issuing Bank, for the ratable benefit of the Banks, an issuance fee

-27-

(the 'Standby L/C Fee') computed at the rate of three (3%) percent per annum on the face amount of the requested Standby L/C payable quarterly in advance on the applicable Monthly Dates.

(d) Upon the execution and delivery by the Borrower of an Application for any L/C, Steamship Guarantee or Airway Release, the Borrower shall pay directly to the Issuing Bank for its own account, all issuance and associated transactional charges (the 'Transactional Fees') imposed by the Issuing Bank in connection with any L/C, Steamship Guarantee or Airway Release.

(e) Upon the execution and delivery of an Acceptance, the Borrower shall pay to the Issuing Bank, for the ratable benefit of the Banks, a fee (the 'Acceptance Fee') for such Acceptance equal to the discount rate of the Agent plus four (4%) percent per annum of the principal amount of such Acceptance for the term thereof payable monthly in advance on the applicable Monthly Dates.

(f) The Borrower shall pay to the Collateral Monitoring Agent for its own account the following fees monthly in advance on the first Business Day of each calendar month (with the first such payment to be made on June 1, 1995):

(i) monitoring fee - \$5,000.00;

(ii) collateral management fee - \$1,500.00;

and

(iii) inventory examination fee - \$1,300.00
(collectively, the 'Collateral Fees').

(g) The Borrower shall pay to the Banks within ten days following demand therefor, reimbursement for the fees and expenses of any Bank's field examiners which accompany the Collateral Monitoring Agent on inspections and field examinations (pursuant to Section 6.2 of this Agreement or otherwise), such fees and expenses to be calculated at such Bank's standard per diem rates (the 'Examination Fees').

(h) The Advisory Fee, the Drawing Fee, the Standby L/C Fee, the Transactional Fees, the Acceptance Fee, the Collateral Fees and the Examination Fees are hereinafter sometimes referred to individually as a 'Fee' and collectively as the 'Fees'.

Section 2.7 Payment of Loans and Acceptances;
Voluntary Changes in Commitment;
Mandatory Prepayments.

(a) All outstanding Loans and Acceptances shall be paid in full not later than the Commitment Termination Date.

-28-

(b) The Borrower shall be entitled to terminate or reduce either or both of the Commitment and the Direct Debt Sublimit provided that the Borrower shall give one day's prior written notice of such termination or reduction to the Banks and that any partial reduction of the Commitment or the Direct Debt Sublimit shall be in an aggregate amount equal to \$100,000 or an integral multiple thereof. Any such termination or reduction shall be permanent and irrevocable. Each partial reduction of either the Commitment or the Direct Debt Sublimit shall be applied pro rata to reduce each Bank's Share of the Commitment and the Direct Debt Sublimit.

(c) Notwithstanding any other provisions of this Agreement, in the event that on any day the Obligations shall exceed the Borrowing Base (including but not limited to the circumstances in which the Collateral Monitoring Agent has exercised its discretion to continue to make Loans and to instruct the Issuing Bank that Availability exists for the issuance of L/Cs, Acceptances, Steamship Guaranties and Airway Releases, as provided in the definition of 'Overadvance' in Article 1 of this Agreement), the Borrower shall immediately upon the Collateral Monitoring Agent's request repay the Loans and/or prepay Acceptances in an amount sufficient to reduce the sum of the aggregate principal amount of the Obligations to an amount not greater than the Borrowing Base on that date and shall not be permitted to request the Collateral Monitoring Agent to make any Loans or make application to the Issuing Bank to issue Trade L/Cs, Standby L/Cs, Steamship Guaranties or Airway Releases until such payment or repayment is made.

Section 2.8 Use of Proceeds of Loans.

The proceeds of the Loans hereunder may be used by the Borrower solely for the following:

(a) first to refinance existing indebtedness of the Borrower under the Existing Loan Agreement, in an aggregate principal amount of \$37,090,212.00;

(b) second to pay all fees and expenses of the Agent and the Banks associated with providing the Revolving Credit Facility; and

(c) third to provide working capital for the Borrower.

the first day but excluding the last) occurring in the period for which payable.

-29-

(b) (i) For the purpose of computing interest and calculating Availability hereunder, all payments consisting of cash or wire transfers in immediately available funds shall be deemed received by the Collateral Monitoring Agent: (A) on the same Business Day that such payments are deposited in the Collection Account in the event such deposit is made on or prior to 1:00 p.m.; and (B) one Business Day following deposit thereof in the Collection Account in the event such deposit is made after 1:00 p.m.; provided, however, that the foregoing references to 1:00 p.m. shall be changed to 12:00 p.m. if the date of such deposit is the last Business Day of the calendar month or the Business Day before a holiday;

(ii) For the purpose of calculating Availability hereunder, all checks, drafts, or similar non-cash items of payment by or for the account of the Borrower shall be deemed received by the Collateral Monitoring Agent (A) on the same Business Day that the deposit of such payment is made in the Collection Account in the event such deposit is made prior to 1:00 p.m.; and (B) one Business Day following deposit thereof in the Collection Account in the event such deposit is made after 1:00 p.m.; and

(iii) For the purpose of computing interest and Fees, all checks, drafts, or similar non-cash items of payment by or for the account of the Borrower shall be deemed received by the Collateral Monitoring Agent three Business Days after deposit of such payment in the Collection Account;

provided, however, that, for purposes other than computing interest and Fees and calculating Availability, no check, drafts, or other instruments received by the Collateral Monitoring Agent shall constitute payment to the Collateral Monitoring Agent unless and until such item of payment has actually been collected by the Collateral Monitoring Agent and such collection has been credited to the Collection Account.

(c) On the basis of the daily Borrowing Base Certificate delivered by the Borrower to the Collateral Monitoring Agent pursuant to subsection 5.10(a) hereof, the Collateral Monitoring Agent will determine on a daily basis the Availability and the Borrower's compliance with the terms of this Agreement, including but not limited to the provisions of Section 2.7 hereof.

-30-

shall become due. With respect to all such payments, the Collateral Monitoring Agent shall (i) advance funds in payment and treat such advance of funds as a Loan or (ii) in the event that there is not sufficient Availability, debit the amount of any such payment to any ordinary deposit account of the Borrower with the Collateral Monitoring Agent. In the event that there is neither sufficient Availability or amounts in the deposit accounts of the Borrower with the Collateral Monitoring Agent, the Borrower shall make the payment directly at the Collateral Monitoring Agent's Payment Office as provided above. Additional provisions relating to payments are set forth in Section 10.3 hereof.

(b) The Collateral Monitoring Agent shall provide the Borrower with a statement of account on a monthly basis, and each statement of account that is delivered by the Collateral Monitoring Agent to the Borrower that relates to the Obligations shall be deemed correct in the absence of manifest error and shall constitute an account stated between the Borrower and the Collateral Monitoring Agent unless thereafter waived in writing by the Collateral Monitoring Agent or unless, within thirty days after the Borrower's

receipt of such statement, the Borrower delivers to the Collateral Monitoring Agent, by registered or certified mail, written objection thereto specifying the error or errors, if any, contained in any such statement; provided, however, that any failure by the Collateral Monitoring Agent to provide the Borrower with a statement of account shall not affect the Obligations of the Borrower hereunder or under any Note.

Section 2.14 Lending Offices.

The Loans made by each Bank shall be made at such Bank's lending office as set forth on the signature page hereto of such Bank.

Section 2.15 Obligations Absolute.

The obligations of the Borrower and Hong Kong under this Agreement and the Loan Documents shall be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement, under all circumstances whatsoever, including, without limitation, the following circumstances:

(i) the L/Cs, the Notes, the Loan Agreement, the other Loan Documents or any other agreements, instruments or documents relating thereto proving to be forged, fraudulent, invalid, unenforceable or insufficient in any respect;

(ii) any amendment or waiver of or any consent to the departure from all or any of the Security Documents;

(iii) the existence of any claim, setoff, defense or other rights which the Borrower or Hong Kong may have at any time against any beneficiary or any transferee of any beneficiary (or any Persons or entities for whom any beneficiary or any such transferee may be acting), any Bank or any other Person, whether in connection with this Agreement, the L/Cs, the Security Documents, the other Loan Documents or any unrelated transaction;

(iv) any demand presented under the L/Cs (or any endorsement thereon) proving to be forged, fraudulent, invalid, unenforceable or insufficient in any respect or any statement therein being inaccurate in any respect whatsoever;

(v) payment by the Bank under any L/C against preparation of a demand which does not comply with the terms of such L/C, including, without limitation, the circumstances referred to in clause (iv) above or the failure of any document to bear adequate reference to such L/C;

-36-

Section 2.16 Sharing of Payments and Set-Off Among Banks.

(a) The Borrower hereby agrees that, in addition to

(and without limitation of) any right of set-off, banker's lien or counterclaim a Bank may otherwise have, each Bank shall be entitled, at its option, to offset balances held by it at any of its offices against any principal of or interest on any of the Obligations hereunder, or any Fee payable under this Agreement, that is not paid when due (regardless of whether such balances are then due to the Borrower), in which case it shall promptly notify the Borrower thereof, provided that its failure to give such notice shall not affect the validity thereof. Nothing contained herein shall require any Bank to exercise any such right or shall affect the right of any Bank to exercise and retain the benefits of exercising, any such right with respect to any other indebtedness or obligation of the Borrower.

(b) Each Bank:

(i) if it shall effect payment of any principal of or interest on any Obligations held by it under this Agreement through the exercise of any rights provided for in subsection (a) above, or

(ii) upon or following any acceleration by the Agent and the Banks of the Obligations, shall promptly purchase from the other Banks a participation in the Obligations held by the other Banks in such amounts, and make such other adjustments from time to time as shall be equitable, so that all the Banks shall share the benefit of such payment and the Obligations pro rata in accordance with their respective Commitments. To such end all the Banks shall make appropriate adjustments among themselves (by the resale of a participation sold or otherwise) if any payment received must be restored or any acceleration is rescinded by the Majority Banks. The Borrower agrees that any Bank so purchasing a participation in the Obligations held by the other Banks may exercise all rights of set-off, banker's lien, counterclaim or similar rights with respect to such participation as fully as if such Bank were a direct holder of Obligations in the amount of such participation. The failure of any Bank to purchase participations as provided hereunder shall not affect the validity of the set-off as between such Bank and the Borrower.

Section 2.17 Capital Requirements.

In the event that any existing or future law or regulation, guideline or interpretation thereof, by any court or administrative or governmental authority charged with the administration thereof, or compliance by any Bank with any request

-37-

or directive (whether or not having the force of law) of any such authority shall impose, modify or deem applicable or result in the application of, any capital maintenance, capital ratio or similar requirement against loan commitments made by any Bank hereunder, and the result of any event referred to above is to impose upon any Bank or increase any capital requirement applicable as a result of the making or maintenance of, such Bank's Commitment or the obligation of the Borrower hereunder with respect to such Commitment (which imposition of capital requirements may be determined by each Bank's reasonable allocation of the aggregate of such capital increases or impositions), then, upon demand made by such Bank as promptly as practicable after it obtains knowledge that such law, regulation, guideline, interpretation, request or directive exists and determines to make such demand, the Borrower shall immediately pay to such Bank from time to time as specified by such Bank additional commitment fees or interest or other amounts which shall be sufficient to compensate such Bank for such imposition of or increase in capital requirements together with interest on each such amount from the fifth day after the date of demand therefor until payment in full thereof at the Post-Default Rate. A certificate setting forth in reasonable detail the amount necessary to compensate such Bank as a result of an imposition of or increase in capital requirements submitted by such Bank to the Borrower shall be conclusive, absent manifest error, as to the amount thereof. For purposes of this Section 2.17, all references to any 'Bank' shall be deemed to include any participant in such Bank's Commitment.

Section 2.18 Additional L/C Provisions.

(a) Without limiting the generality of Section 2.17 hereof, if:

(i) any change in any law or regulation or in the interpretation thereof by any court or administrative or governmental authority charged or claiming to be charged with the administration thereof shall (1) impose, modify or deem applicable any reserve, special deposit, capital maintenance, deposit insurance premium or assessment, or similar requirement against letters of credit issued by or assets held by, or deposits with or for the account of, any Bank, (2) impose on any Bank any other condition regarding this Agreement or the L/Cs, or (3) subject any Bank to any tax, charge, fee, deduction or withholding of any kind whatsoever other than changes in the rate of tax on the over-all net income of such Bank; and

(ii) the result of any such event shall be to increase the cost to any Bank of the issuance or maintenance of the L/Cs, or reduce the amount of principal, interest, or any fee or compensation receivable by any Bank in respect of the L/Cs or this Agreement;

-38-

then, upon demand of any Bank, the Borrower shall pay to the Banks, from time to time as specified by each of the Banks, respectively, all additional amounts which are necessary to compensate such Bank for such increased cost or reduction incurred by that Bank. All payments of compensation for such increased cost or reduction shall be accompanied by interest thereon from the date such increased cost or reduction is incurred by any Bank until payment in full thereof at the rate provided in Section 2.5(a) hereof and, in the event of non-payment by the Borrower following demand, thereafter at the Post-Default Rate. A certificate as to such increased cost incurred by any Bank showing the manner of calculation thereof shall be submitted by such Bank to the Borrower and shall be conclusive (absent manifest error) as to the amount thereof. In the event of any inconsistency between the terms of this Section 2.18 and Section 2.17, the provisions of Section 2.17 shall govern.

(b) No Bank shall be responsible: (i) for the validity or insufficiency of any instrument transferring or assigning or purporting to transfer or assign the L/Cs or the rights or benefits thereunder or proceeds thereof in whole or in part, which may prove to be invalid or ineffective for any reason; (ii) for errors, omissions, interruptions or delays in transmission or delivery of any messages, by mail, cable telegraph, telex or otherwise, whether or not they be in cipher; (iii) for any loss or delay in the transmission or otherwise of any document or draft required in order to make a draw under the L/Cs or of proceeds thereof; or (iv) for any consequence arising from causes beyond the control of any Bank. None of the above shall affect, impair, or prevent the vesting of any Bank's rights or powers hereunder.

(c) In furtherance and extension and not in limitation of the specific provisions hereinabove set forth, any action taken or omitted by any Bank, under or in connection with the L/Cs or the related drafts or document(s), if taken or omitted in good faith, shall be binding upon the Borrower and shall not put any Bank under any resulting liability to the Borrower.

(d) The Borrower shall at all times protect, indemnify and save harmless each Bank from and against any and all claims, actions, suits and other legal proceedings, and from and against any and all loss, claims, demands, liabilities, damages, costs, charges, counsel fees and other expenses which any Bank may, at any time, sustain or incur by reason of or in consequence of or arising out of the issuance of the L/Cs; it being the intention of the parties that this Agreement shall be construed and applied to protect and indemnify any Bank against any and all risk involved in the issuance of the L/Cs, all of which risks are hereby assumed by the Borrower, including, without limitation, any and all risks of the acts or omissions, whether rightful or wrongful, of any present or future de jure or de facto government or governmental authority (all such acts and omissions, herein called the 'Governmental

-39-

Acts'); provided, however, that the Borrower shall not be required to indemnify any Bank for any claims, damages, losses, liabilities, costs or expenses to the extent, but only to the extent, caused by the willful misconduct or gross negligence of any Bank in not honoring any demand for payment under any L/C (after the presentation to it by the beneficiary of drawing documents strictly complying with the terms and conditions of such L/C) except if as a result of any Governmental Act or any other cause beyond the control of any Bank. Notwithstanding any other provision contained in this Agreement, the obligations of the Borrower under this Section 2.18 shall survive the termination of this Agreement.

Section 2.19 Pro Rata Treatment Among Banks.

(a) Except as otherwise provided herein: (i) each Loan advanced by the Collateral Monitoring Agent hereunder, (ii) each other advance made by the Collateral Monitoring Agent, the Issuing Bank or the Agent hereunder (including but not limited to advances to protect or preserve Collateral), (iii) each payment of any Fee (other than Transactional Fees, Collateral Fees and Examination Fees) by the Borrower, and (iv) each payment of principal of or interest on Loans, in each case will be made by or to the Collateral Monitoring Agent, the Issuing Bank or the Agent, as the case may be, for the account of the Banks according to the respective Bank's Share.

(b) On a monthly basis, after the Collateral Monitoring Agent's receipt of monthly interest charges pursuant to Section 2.10 of this Agreement, and provided a Bank shall have made all payments to the Collateral Monitoring Agent required to be made hereunder, the Collateral Monitoring Agent shall pay to such Bank an amount equivalent to such Bank's Share of such interest and any Fees received during the prior month.

Section 2.20 Non-Receipt of Funds by the Agent.

Unless the Collateral Monitoring Agent shall have been notified by a Bank or the Borrower (the 'Payor') prior to the date notified on which such Bank is to make payment to the Collateral Monitoring Agent of the proceeds of a Loan to be made by it hereunder or the Borrower is to make a payment to the Collateral Monitoring Agent for the account of one or more of the Banks, as the case may be (such payment being herein called the 'Required Payment'), which notice shall be effective upon receipt, that the Payor does not intend to make the Required Payment to the Collateral Monitoring Agent, the Collateral Monitoring Agent may assume that the Required Payment has been made and may, in reliance upon such assumption (but shall not be required to), make the amount thereof available to the intended recipient on such date and, if the Payor has not in fact made the Required Payment to the Collateral Monitoring Agent, the recipient of such payment shall,

-40-

on demand, repay to the Collateral Monitoring Agent the amount made available to it together with interest thereon in respect of each day during the period commencing on the date such amount was so made available by the Collateral Monitoring Agent until the date the Collateral Monitoring Agent recovers such amount at a rate per annum equal to the Federal Funds Rate for such day (when the recipient is a Bank) or equal to the rate of interest applicable to such Loan (when the recipient is the Borrower).

Section 2.21 Collections; Agent's Right to Notify Account Debtors and Endorse the Borrower's Name.

(a) The Borrower and all other Loan Parties will immediately upon receipt of all checks, drafts, cash or other remittances (i) in payment of any of its accounts, contract rights or general intangibles constituting part of the Collateral, or (ii) in payment of any Collateral sold, transferred, leased or otherwise disposed of, as permitted under Section 7.7 hereof, or (iii) in payment of, or on account of its Accounts, contracts, contract rights, notes, drafts, acceptances, general intangibles, choses in action and all other forms of obligations relating to any of the Collateral so

sold, transferred, or leased or otherwise disposed of, deliver any such items to the Collateral Monitoring Agent at the Payment Office or to the Collection Account accompanied by a remittance report in form supplied or approved by the Collateral Monitoring Agent, such items to be delivered to the Collateral Monitoring Agent in the same form received, endorsed or otherwise assigned by the Borrower where necessary to permit collection of such items and, regardless of the form of such endorsement, the Borrower hereby waives presentment, demand, notice of dishonor, protest, notice of protest and all other notices with respect thereto.

(b) The Borrower and all other Loan Parties shall direct all Account Debtors to make all payments due from them to the Borrower upon the Accounts directly to the Collateral Monitoring Agent, the Collection Account or to a Lockbox (each, a 'Lockbox') designated by the Collateral Monitoring Agent and maintained by the Collateral Monitoring Agent pursuant to one or more lockbox agreements in form and substance satisfactory to the Agent (each, a 'Lockbox Agreement'), which agreements shall be executed and delivered by the Borrower at the request of the Collateral Monitoring Agent.

(c) In the event that, notwithstanding the provisions of subsections (a) and (b) of this Section 2.21, as applicable, the Borrower (or any of its affiliates, officers, employees, agent, or those Persons acting for or in concert with the Borrower) shall receive any monies, checks, notes, drafts, or any other payment relating to any Collateral or as proceeds of any Collateral, the Borrower shall receive such monies, checks, notes,

-41-

drafts and other payments as agent for the Collateral Monitoring Agent and shall hold, or shall cause such Affiliate or Person to hold, all such items of payment in trust as trustee of an express trust for the Collateral Monitoring Agent and as property of the Collateral Monitoring Agent, separate and apart from the funds of the Borrower and such Affiliate and the Borrower (and all of its Affiliates, officers, employees, agents and other Persons acting for or in concert with the Borrower) shall: (i) on the first Business Day following receipt thereof, deposit such items of payment, or cause such items of payment to be deposited, in kind, in the Collection Account; and (ii) in addition to all reports required in Article 5 hereof, if, as, and when requested by the Collateral Monitoring Agent, forward to the Collateral Monitoring Agent, on a daily basis, copies of all items of payment and of all deposit slips related thereto, together with a collection report in form and substance satisfactory to the Collateral Monitoring Agent.

(d) The Borrower hereby authorizes the Collateral Monitoring Agent at all times: (i) to open the Borrower's mail directed to the Lockbox and, following an Event of Default, all other mail; (ii) to collect, and to verify by mail, telephone, telegraph or otherwise, any and all amounts due to the Borrower from Account Debtors; and (iii) to notify any or all Account Debtors that the Accounts have been assigned to the Agent and that the Collateral Monitoring Agent has a security interest therein. The Borrower hereby agrees that any such notice, in the Collateral Monitoring Agent's sole discretion, may be sent on the Borrower's stationery, in which event, if required by the Collateral Monitoring Agent (and all Persons designated by the Collateral Monitoring Agent for that purpose) as the Borrower's true and lawful attorney (and agent-in-fact) to endorse the Borrower's name on any checks, notes, drafts, or any other form of payment relating to Collateral or proceeds of Collateral that come in to the Collateral Monitoring Agent's possession or under the Collateral Monitoring Agent's control.

(e) Notwithstanding Subsection (d) above or any other provision of this Agreement, nothing contained in this Section 2.21, this Agreement or any other Loan Document shall be deemed to limit or otherwise restrict the Collateral Monitoring Agent's normal verification procedures.

Section 2.22 Application of Payments and Collections.

(a) All amounts received by the Collateral Monitoring Agent for the account of the Borrower pursuant to Section 2.21 or otherwise shall, on each Business Day, be

(i) applied pro rata among the Banks to

reduce the amount of any outstanding Loans; then

-42-

(ii) applied to prepay, in the case of liquidation only, with any applicable prepayment or 'breakage' fee, all Acceptances;

(iii) held by the Collateral Monitoring Agent as collateral to secure any outstanding L/Cs, Acceptances (other than in the case of a liquidation), Steamship Guaranties and Airway Releases; then

(iv) only if all Loans have been repaid, all Acceptances prepaid (in the case of a liquidation) and all L/Cs, Acceptances (other than in the case of a liquidation), Steamship Guaranties and Airway Releases are fully secured by amounts held by the Collateral Monitoring Agent pursuant to clause (iii) above, credited to the Borrower's demand deposit account maintained with the Agent.

(b) Notwithstanding anything else in this Section 2.22 or in this Agreement to the contrary, the Borrower irrevocably waives the right to direct the application of any and all payments and collections at any time or times hereafter received by the Collateral Monitoring Agent from or on behalf of the Borrower. The Borrower irrevocably agrees that the Collateral Monitoring Agent shall have the continuing exclusive right to apply and reapply any and all such payments and collections received at any time or times hereafter by the Collateral Monitoring Agent or its agents against the Obligations in such manner as the Collateral Monitoring Agent may deem advisable, notwithstanding any entry by the Collateral Monitoring Agent upon any of its books and records.

Article 3. Representations and Warranties.

Each of the Borrower and the other Loan Parties (other than the Individual Guarantors) hereby represents and warrants to the Banks, the Collateral Monitoring Agent, the Issuing Bank and the Agent that:

Section 3.1 Organization.

(a) Each of the Borrower, the Parent, each Subsidiary and each other Loan Party is duly organized and validly existing under the laws of its state or country of organization and has the power to own its assets and to transact the business in which it is presently engaged and in which it proposes to be engaged. Exhibit B hereto accurately and completely lists, as to each of the Borrower, the Parent, each Subsidiary and each other Loan Party: (i) the state of incorporation or organization of each such entity, and the type of legal entity that each of them is, (ii) as to each of them that is a corporation, the classes and number of authorized and outstanding shares of capital stock of each such corporation, and, except with respect to the Parent, the owners of such outstanding shares of capital stock, (iii) as to

-43-

each of them that is a legal entity other than a corporation (but not a natural person), the type and amount of equity interests authorized and outstanding of each such entity, and, except with respect to the Parent, the owners of such equity interests, and (iv) the business in which each of such entities is engaged. All of the foregoing shares or other equity interests that are issued and outstanding have been duly and validly issued and are fully paid and non-assessable, and are owned by the Persons referred to on Exhibit B, free and clear of any Lien except as otherwise provided for herein. Except as set forth on Exhibit B, there are no outstanding warrants, options, contracts or commitments of any kind entitling any Person to purchase or otherwise acquire any shares of capital stock or other equity interests of the Borrower or any Subsidiary or any other Loan Party other than the Parent nor are there outstanding any securities that are convertible into or exchangeable for any

shares of capital stock or other equity interests of the Borrower, any Subsidiary or any other Loan Party other than the Parent. Except as set forth on Exhibit B, neither the Borrower, the Parent, any Subsidiary nor any other Loan Party has any Subsidiary.

(b) Each of the Borrower, the Parent, each Subsidiary and each other Loan Party is in good standing in its state of organization and in each state in which it is qualified to do business. There are no jurisdictions other than as set forth on Exhibit B hereto in which the character of the properties owned or proposed to be owned by the Borrower, the Parent, any Subsidiary or any other Loan Party or in which the transaction of the business of the Borrower, the Parent, any Subsidiary or any other Loan Party as now conducted requires the Borrower, the Parent, any Subsidiary or any other Loan Party to qualify to do business and as to which failure so to qualify could have a material adverse effect on the business, operations, financial condition or properties of the Borrower, the Parent, any Subsidiary and any other Loan Party taken as a whole.

Section 3.2 Power, Authority, Consents.

The Borrower and each other Loan Party has the power to execute, deliver and perform the Loan Documents to be executed by it. The Borrower has the power to borrow hereunder and has taken all necessary corporate action to authorize the borrowing hereunder on the terms and conditions of this Agreement. The Borrower and each other Loan Party has taken all necessary action, corporate or otherwise, to authorize the execution, delivery and performance of the Loan Documents to be executed by it. No consent or approval of any Person (including, without limitation, any stockholder of any corporate Loan Party or any partner in any partnership Loan Party), no consent or approval of any landlord or mortgagee, no waiver of any Lien or right of distraint or other similar right and no consent, license, certificate of need, approval, authorization or declaration of any governmental

-44-

authority, bureau or agency, is or will be required in connection with the execution, delivery or performance by the Borrower or any other Loan Party, or the validity, enforcement or priority, of the Loan Documents or any Lien created and granted thereunder, except as set forth on Exhibit C hereto, each of which either has been duly and validly obtained on or prior to the date hereof and is now in full force and effect, or is designated on Exhibit C as waived by the Majority Banks.

Section 3.3 No Violation of Law or Agreements.

The execution and delivery by the Borrower and each other Loan Party of each Loan Document to which it is a party and performance by it hereunder and thereunder, will not violate any provision of law and will not, except as set forth on Exhibit C hereto, conflict with or result in a breach of any order, writ, injunction, ordinance, resolution, decree, or other similar document or instrument of any court or governmental authority, bureau or agency, domestic or foreign, or any certificate of incorporation or by-laws of the Borrower or any other corporate Loan Party or partnership agreement or other organizational document or instrument of any Loan Party that is not a corporation, or create (with or without the giving of notice or lapse of time, or both) a default under or breach of any agreement, bond, note or indenture to which the Borrower or any other Loan Party is a party, or by which any of them is bound or any of their respective properties or assets is affected (which default or breach would have a material adverse affect on the business, financial conditions or operations of the Borrower, the Parent and the Subsidiaries taken as a whole), or result in the imposition of any Lien of any nature whatsoever upon any of the properties or assets owned by or used in connection with the business of the Borrower or any other Loan Party, except for the Liens created and granted pursuant to the Security Documents.

Section 3.4 Due Execution, Validity, Enforceability.

This Agreement and each other Loan Document to which any Loan Party is a party has been duly executed and delivered by the Loan Party that is a party thereto and each constitutes the valid and legally binding obligation of the Borrower or such other Loan Party that is a party thereto,

enforceable in accordance with its terms, except as such enforcement may be limited by applicable bankruptcy, insolvency, reorganization, moratorium, or other similar laws, now or hereafter in effect, relating to or affecting the enforcement of creditors' rights generally and except that the remedy of specific performance and other equitable remedies are subject to judicial discretion; provided, however, that such laws shall not materially interfere with the practical realization of the benefits of the Security Documents or the Liens created thereby, except for: (i) possible delay, (ii) situations that may arise under Chapters 11 and 7 of the Bankruptcy Code and applicable

-45-

state bankruptcy laws, and (iii) equitable orders of the Bankruptcy Court.

Section 3.5 Properties, Priority of Liens.

All of the properties and assets owned by the Borrower and each other Loan Party that is executing a Security Document are owned by each of them, respectively, free and clear of any Lien of any nature whatsoever, except as provided for in the Security Documents, and as permitted by Section 7.2 hereof. The Liens that, simultaneously with the execution and delivery of this Agreement and the consummation of the initial closing hereunder, have been created and granted by the Security Documents constitute valid perfected first Liens on the properties and assets covered by the Security Documents, subject to no prior or equal Lien except as permitted by Section 7.2 hereof.

Section 3.6 Judgments, Actions, Proceedings.

Except as set forth on Exhibit F hereto, there are no outstanding judgments, actions or proceedings, including, without limitation, any Environmental Proceeding, pending before any court or governmental authority, bureau or agency, with respect to or, to the best of the Borrower's knowledge, threatened against or affecting the Borrower or any other Loan Party, involving, in the case of any court proceeding or threatened court proceeding, a claim in excess of \$100,000, nor, to the best of the Borrower's knowledge, is there any reasonable basis for the institution of any such action or proceeding that is probable of assertion, nor are there any such actions or proceedings in which the Borrower or any other Loan Party is a plaintiff or complainant.

Section 3.7 No Default; Compliance With Laws.

Except as set forth on Exhibit G hereto, neither the Borrower, the Parent, any Subsidiary nor any other Loan Party is in default under any agreement, ordinance, resolution, decree, bond, note, indenture, order or judgment to which it is a party or by which it is bound, or any other agreement or other instrument by which any of the properties or assets owned by it or used in the conduct of its business is affected, which default could have a material adverse effect on the business, operations, financial condition or properties of the Borrower, the Parent, any Subsidiary and any other Loan Party, taken as a whole, or on the ability of the Borrower or any other Loan Party to perform its obligations under the Loan Documents to which it is a party. The Borrower, the Parent, and each Subsidiary has complied and is in compliance in all respects with all applicable laws, ordinances and regulations, resolutions, ordinances, decrees and other similar documents and instruments of all courts and governmental authorities, bureaus and agencies, domestic and foreign, including, without limitation, all applicable Environmental Laws and Regulations, non-compliance with

-46-

which could have a material adverse effect on the business, operations, financial condition or properties of the Borrower, the Parent, and any Subsidiary, taken as a whole, or on the ability of the Borrower, the Parent or any Subsidiary to perform its obligations under the Loan Documents to which it is a party.

Section 3.8 Burdensome Documents.

Except as set forth on Exhibit H hereto, neither the Borrower nor any of the other Loan Parties is a party to or bound by, nor are any of the properties or assets owned by the Borrower or any other Loan Party used in the conduct of their respective businesses affected by, any agreement, ordinance, resolution, decree, bond, note, indenture, order or judgment, including, without limitation, any of the foregoing relating to any Environmental Matter, that materially and adversely affects their respective businesses, assets or conditions, financial or otherwise.

Section 3.9 Financial Statements; Projections.

(a) Each of the Financial Statements is materially accurate and complete and presents fairly the financial position of the Borrower and the consolidated and consolidating financial position of the Parent and the Subsidiaries, as applicable, and each other entity to which it relates, as at its date, and has been prepared in accordance with generally accepted accounting principles. Neither the Borrower, the Parent, any of the Subsidiaries, nor any other entity to which any of the Financial Statements relates, has any material obligation, liability or commitment, direct or contingent (including, without limitation, any Environmental Liability), that is not reflected in the Financial Statements. There has been no material adverse change in the financial position or operations of the Borrower, the Parent or any of its Subsidiaries or any other entity to which any of the Financial Statements relates, taken as a whole, since the date of the latest balance sheet included in the Financial Statements (the 'Latest Balance Sheet'). The Borrower's fiscal year is the twelve-month period ending on January 31 in each year.

(b) The Projections have been prepared on the basis of the assumptions accompanying them and reflect as of the date thereof the Borrower's good faith projections, after reasonable analysis, of the matters set forth therein, based on such assumptions; provided, however, that the Banks and the Agent acknowledge that projections as to future events are not statements of fact and that actual results during the period or periods covered by such Projections may differ from the projected results.

-47-

Section 3.10 Tax Returns.

Each of the Borrower, the Parent and the Subsidiaries has filed all federal, state and local tax returns required to be filed by it and has not failed to pay any taxes, or interest and penalties relating thereto, on or before the due dates thereof including any extensions thereof. Except to the extent that reserves therefor are reflected in the Financial Statements: (i) there are no material federal, state or local tax liabilities of the Borrower, the Parent or any Subsidiary due or to become due for any tax year ended on or prior to the date of the Latest Balance Sheet relating to such entity, whether incurred in respect of or measured by the income of such entity, that are not properly reflected in the Latest Balance Sheet relating to such entity, and (ii) there are no material claims pending or, to the knowledge of the Borrower, proposed or threatened against any of the Borrower, the Parent or any Subsidiary for past federal, state or local taxes, except those, if any, as to which proper reserves are reflected in the Financial Statements. The Parent's consolidated federal income tax return for the year ended July 31, 1990, is presently being audited by the IRS.

Section 3.11 Intangible Assets.

Each of the Borrower, the Parent, and the Subsidiaries possesses all patents, trademarks, service marks, trade names, copyrights and trade-style names, and rights with respect to the foregoing, necessary to conduct its business as now conducted without any known conflict with the patents, trademarks, service marks, trade names, copyrights, trade-style names and rights with respect to the foregoing, of any other Person, and each of such patents, trademarks, service marks, trade names, copyrights, trade-style names and rights with respect thereto, together with any pending applications therefor, are listed on Exhibit I hereto. Exhibit I sets forth all patents, trademarks, service marks, trade names, copyrights and trade-style

names owned and used by the Borrower, the Parent and the Subsidiaries.

Section 3.12 Regulation U.

No part of the proceeds received by the Borrower from the Loans will be used directly or indirectly for: (a) any purpose other than as set forth in Section 2.8 hereof, or (b) the purpose of purchasing or carrying, or for payment in full or in part of Indebtedness that was incurred for the purposes of purchasing or carrying, any 'margin stock', as such term is defined in 'ss'221.3 of Regulation U of the Board of Governors of the Federal Reserve System, 12 C.F.R., Chapter II, Part 221.

(b) Neither the Borrower nor any other Loan Party that is granting liens on its assets pursuant to any Security Document has granted liens (other than statutory liens) to any person other than the Banks on Collateral constituting personal property which Collateral has, at any time during the four-month period immediately preceding the date hereof, been located anywhere other than at its location on the date hereof.

Section 3.14 Full Disclosure.

None of the Financial Statements, the Projections, nor any certificate, opinion, or any other statement made or furnished in writing to the Agent or any Bank by or on behalf of the Borrower, the Parent, any of the Subsidiaries or any other Loan Party in connection with this Agreement or the transactions contemplated herein, contains any untrue statement of a material fact, or omits to state a material fact necessary in order to make the statements contained therein or herein not misleading, as of the date such statement was made. There is no fact known to the Borrower or the Parent that has, or would in the now foreseeable future have, a material adverse effect on the business, prospects or condition, financial or otherwise, of the Borrower, the Parent, any of the Subsidiaries and any other Loan Party, taken as a whole, which fact has not been set forth herein, in the Financial Statements, the Projections, or any certificate or other written statement so made or furnished to the Agent or the Banks other than any statement with respect to matters affecting the economy as a whole.

Section 3.15 Licenses and Approvals.

The Borrower, the Parent and each of the Subsidiaries has all necessary licenses, permits and governmental authorizations, the absence of which would have a material adverse affect on the business, financial condition or operations of the Borrower, the Parent and the Subsidiaries, taken as a whole, including, without limitation, licenses, permits and authorizations relating to Environmental Matters, to own and operate its properties and to carry on its business as now conducted.

-49-

-50-

the Borrower nor the Parent has had a complete withdrawal under Section 4203 of ERISA or partial withdrawal under Section 4205 of ERISA; and neither the Borrower nor the Parent had any mass withdrawal liability.

(b) Neither the Borrower nor the Parent has any contingent liability with respect to any post-retirement benefit under any Employee Benefit Plan, other than liability for health plan continuation coverage under Code Section 4980 B.

(c) Each Employee Benefit Plan complies, in both form and operation, in all material respects, with its terms, ERISA and the Code including, without limitation, Code Section 4980 B and to the best of the Borrower's knowledge, no condition exists or event has occurred with respect to any plan which would result in the incurrence by Borrower and Parent of any material liability, fine, or penalty. Each Employee Benefit Plan and related trust agreement is legally valid and binding and in full force and effect to the extent not heretofore terminated. To the best of the Borrower's knowledge, no Employee Benefit Plan is being audited or investigated by any government agency or subject to any pending or threatened claim or suit. Neither the Borrower nor the Parent has engaged in any transaction which would subject it to liability under Section 4212(c) of ERISA.

(d) Neither the Parent nor the Borrower nor any fiduciary of any Employee Benefit Plan has engaged in any prohibited transaction under Section 406 of ERISA which would have a material adverse effect on the business, operations or condition, financial or otherwise, of the Borrower or the Parent. agreement that is related to this transaction will not constitute a prohibited transaction under such Section.

(e) There are no agreements which will provide payments to any officer, employer, shareholder or highly compensated individual which will be 'parachute payments' under Section 280G of the Code that are nondeductible to any Loan Party and which will be subject to the tax under Section 4999 of the Code for which any Loan Party would have a material withholding liability.

(f) All references to the Borrower and the Parent in this Section 3.18 or in any other Section of this Agreement relating to ERISA, shall be deemed to refer to the Borrower, the Parent and all other entities which are considered ERISA Affiliates.

Each Bank hereby irrevocably appoints and authorizes each of the Collateral Monitoring Agent, the Issuing Bank and the Agent to act as its agent hereunder, under the Security Documents and the other Loan Documents with such powers as are specifically delegated to such parties, respectively, by the terms of this Agreement, the Security Documents and the other Loan Documents together with such other powers as are reasonably incidental thereto. -79-

Documents or any other document referred to or provided for herein or therein or for the collectibility of the Loans or for the validity, effectiveness or value of any interest or security covered by the Security Documents or for the value of any Collateral or for the validity or effectiveness of any assignment, mortgage, pledge, security agreement, financing statement, document or instrument, or for the filing, recording, re-filing, continuing or re-recording of any thereof or for any failure by the Borrower or any of the other Loan Parties to perform any of its obligations hereunder or under the other Loan Documents. Each of the Collateral Monitoring Agent, the Issuing Bank and the Agent may employ agents and attorneys-in-fact and shall not be answerable, except as to money or securities received by it or its authorized agents, for the negligence or misconduct of any such agents or attorneys-in-fact selected by it with reasonable care. None of the Collateral Monitoring Agent, the Issuing Bank or the Agent nor any of their directors, officers, employees or agents shall be liable or responsible for any action taken or omitted to be taken by it or them hereunder, under the Security Documents or the other Loan Documents or in connection herewith or therewith, except for its or their own gross negligence or willful misconduct.

Section 9.2 Reliance.

Each of the Collateral Monitoring Agent, the Issuing Bank and the Agent shall be entitled to rely upon any certification, notice or other communication (including any thereof by telephone, telex, telegram or cable) believed by it to be genuine and correct and to have been signed or sent by or on behalf of the proper person or persons, and upon advice and statements of legal counsel, independent accountants and other experts selected by them. As to any matters not expressly provided for by this Agreement, the Security Documents or the other Loan Documents, each of the Collateral Monitoring Agent, the Issuing Bank or the Agent shall in all cases be fully protected in acting, or in refraining from acting, hereunder, under the Security Documents or the other Loan Documents in accordance with instructions signed by the Majority Banks, and such instructions of the Majority Banks and any action taken or failure to act pursuant thereto shall be binding on all of the Banks.

Section 9.3 Events of Default.

Neither the Collateral Monitoring Agent or the Agent shall be deemed to have knowledge of the occurrence of a Default unless the such party has received notice from a Bank or the Borrower specifying such Default and stating that such notice is a 'Notice of Default'. In the event that either the Agent or the Collateral Monitoring Agent receives such a notice of the occurrence of a Default, the Agent or the Collateral Monitoring shall promptly give notice thereof to the Banks. The Agent shall

-80-

(subject to Section 9.7 hereof) take such action with respect to such Default as shall be directed by the Majority Banks.

Section 9.4 Rights as a Bank.

Each of the Collateral Monitoring Agent, the Issuing Bank and the Agent in its capacity as a Bank hereunder, shall have the same rights and powers hereunder as any other Bank and may exercise the same as though it were not acting as an agent hereunder, and the term 'Bank' or 'Banks' shall, unless the context otherwise indicates, include each of the Collateral Monitoring Agent, the Issuing Bank and the Agent in its individual capacity. Each of the Collateral Monitoring Agent, the Issuing Bank and Agent and their Affiliates may (without having to account therefor to any Bank) accept deposits from, lend money to and generally engage in any kind of banking, trust or other business with the Borrower or its Affiliates, as if it were not acting as an agent of the Banks hereunder, and may accept fees and other consideration from the Borrower or its Affiliates, for services in connection with this Agreement, the Security Documents or any of the other Loan Documents or otherwise without having to account for the same to the Banks.

Section 9.5 Indemnification.

The Banks shall indemnify each of the Collateral Monitoring Agent, the Issuing Bank and the Agent (to the extent not reimbursed by the Borrower under Sections 10.1 and 10.2 hereof), ratably in accordance with their respective Commitments, for any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind and nature whatsoever that may be imposed on, incurred by or asserted against any of the Collateral Monitoring Agent, the Issuing Bank or the Agent in any way relating to or arising out of this Agreement, the Security Documents or any of the other Loan Documents or any other documents contemplated by or referred to herein or therein or the transactions contemplated hereby and thereby (including, without limitation, the costs and expenses that the Borrower is obligated to pay under Sections 10.1 and 10.2 hereof, but excluding, unless a default has occurred and is continuing, normal administrative costs and expenses incident to the performance of their agency duties hereunder or under the Security Documents) or the enforcement of any of the terms hereof or of the Security Documents, or of any such other documents, provided that no Bank shall be liable for any of the foregoing to the extent they arise from the gross negligence or willful misconduct of the party to be indemnified.

-81-

Section 9.6 Non-Reliance.

Each Bank agrees that it has, independently and without reliance on the Collateral Monitoring Agent, the Issuing Bank or the Agent or any other Bank, and based on such documents and information as it has deemed appropriate, made its own credit analysis of the Borrower and decision to enter into this Agreement and that it will, independently and without reliance upon the Collateral Monitoring Agent, the Issuing Bank or the Agent or any other Bank, and based on such documents and information as it shall deem appropriate at the time, continue to make its own analysis and decisions in taking or not taking action under this Agreement, the Security Documents or the other Loan Documents. None of the Collateral Monitoring Agent, the Issuing Bank or the

Agent shall be required to keep itself informed as to the performance or observance by the Borrower of this Agreement, the Security Documents or the other Loan Documents or any other document referred to or provided for herein or therein or to inspect the properties or books of the Borrower. Except for notices, reports and other documents and information expressly required to be furnished to the Banks by the Collateral Monitoring Agent, the Issuing Bank or the Agent hereunder or under the Security Documents, or the other Loan Documents, none of the Collateral Monitoring Agent, the Issuing Bank or the Agent shall have any duty or responsibility to provide any Bank with any credit or other information concerning the affairs, financial condition or business of the Borrower, that may come into the possession of the Collateral Monitoring Agent, the Issuing Bank or the Agent or any of its Affiliates.

Section 9.7 Failure to Act.

Except for action expressly required of the Collateral Monitoring Agent, the Issuing Bank or the Agent hereunder, or under the Security Documents, each of the Collateral Monitoring Agent, the Issuing Bank or the Agent shall in all cases be fully justified in failing or refusing to act hereunder or thereunder unless it shall be indemnified to its satisfaction by the Banks against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action.

Section 9.8 Resignation or Removal.

Subject to the appointment and acceptance of a successor as provided below, each of the Collateral Monitoring Agent, the Issuing Bank or the Agent (i) may resign at any time by giving not less than 10 days' prior written notice thereof to the Banks and the Borrower and (ii) may be removed at any time with or without cause by the Majority Banks. Upon any such resignation or removal, the Majority Banks shall have the right to appoint a successor. If no successor Collateral Monitoring Agent, Issuing

-82-

Bank or Agent shall have been so appointed by the Majority Banks and shall have accepted such appointment within 30 days after the retiring party's giving of notice of resignation or the Majority Banks' removal of the retiring party, then the retiring Collateral Monitoring Agent, the Issuing Bank or Agent, as the case may be, may, on behalf of the Banks, after consultation with the Borrower, appoint a successor which shall be one of the Banks. Upon the acceptance of any appointment as successor hereunder or under the Security Documents, such successor Collateral Monitoring Agent, Issuing Bank or Agent, as the case may be, shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring party, and the retiring party shall be discharged from its duties and obligations hereunder and under the Security Documents. After any retiring party's resignation or removal hereunder as Collateral Monitoring Agent, Issuing Bank or Agent, as the case may be, the provisions of this Article 9 shall continue in effect for its benefit in respect of any actions taken or omitted to be taken by it while it was acting as the Collateral Monitoring Agent, the Issuing Bank or Agent hereunder.

Section 9.9 Sharing of Collateral and Payments.

Upon or following any acceleration by the Agent and the Banks of the Obligations, and following the purchase by each Bank of its proportional share of the Obligations pursuant to subsection 2.16(b) hereof, in the event that any Bank shall obtain payment in respect of any such Obligation, or interest thereon, or receive any Collateral or proceeds thereof with respect to any such Obligation, whether voluntarily or involuntarily, and whether through the exercise of a right of banker's lien, set-off or counterclaim against the Borrower or any other Loan Party or otherwise, in a greater proportion than any such payment obtained by any other Bank in respect of the aggregate amount of the corresponding Obligation held by such Bank, then the Bank so receiving such greater proportionate payment or such greater proportionate amount of Collateral, shall purchase for cash from the other Bank or Banks such portion of each such other Bank's or Banks' Loan, or shall provide the other Banks with the benefits of any such Collateral, or the proceeds thereof, as shall be necessary to cause such Bank receiving the proportionate overpayment to share the excess payment or benefits of such Collateral or proceeds ratably with each Bank. For the purposes of this Section, payments on

Obligations received by each Bank and receipt of Collateral by each Bank shall be in the same proportion as the proportion of: (A) the Obligations owing to such Bank in respect of the Obligations held by such Bank to (B) the Obligations owing to all of the Banks in respect of all of the Obligations; provided, however, that, with respect to the foregoing, if all or any portion of such excess payment or benefits is thereafter recovered from the Bank that received the proportionate overpayment, such purchase of Obligations or payment of benefits, as the case may be, shall be

-83-

rescinded, and the purchase price and benefits returned, to the extent of such recovery, but without interest.

Section 9.10 Additional Provisions as to the

The Collateral Monitoring Agent agrees to conduct such field examinations at least once during each fiscal quarter during the term of this Agreement. Upon reasonable advance request of the Collateral Monitoring Agent, the Banks shall have the right to examine at the Collateral Monitoring Agent's offices, or to request copies (prepared at the requesting Bank's cost) of, all field reports, resulting correspondence with the Borrower and other work product relating to such field examination. The Collateral Monitoring Agent agrees to respond to, and to refer to the Borrower when appropriate and then to respond to, reasonable inquiries made by the Banks arising with respect to field examinations or reports.

(c) The Collateral Monitoring Agent may include Inventory labeled as 'Season X' in Eligible Inventory if the Borrower establishes to the satisfaction of the Collateral Monitoring Agent that existing orders for such Inventory exceed such Inventory currently on hand; provided, however, that prior to including such Inventory in Eligible Inventory (x) the Collateral Monitoring Agent has given the Banks at least 24 hours notice that the Agent intends to include such Inventory in Eligible Inventory, and (y) the Collateral Monitoring Agent has not been notified of

-84-

objections by the Majority Banks to the inclusion of such Inventory in Eligible Inventory within the 24-hour period following the giving of such notice.

(d) Without limiting the generality of any other provision hereof, the Collateral Monitoring Agent shall specifically not have

authority to:

(i) increase or decrease the percentages of Eligible Accounts or Eligible Inventory to be included in the Borrowing Base, other than by adjustment of the reserves provided for in the definition of 'Borrowing Base'; provided, however, that the Collateral Monitoring Agent may establish additional reserves if (x) the Collateral Monitoring Agent has given the Banks at least 24 hours notice that the Agent intends to establish such additional reserves and (y) the Collateral Monitoring Agent has not been notified of objections by the Majority Banks to the establishing of such additional reserves within the 24-hour period following the giving of such notice; and provided, further, that once an additional reserve has been established the Collateral Monitoring Agent may adjust that reserve in its discretion.

-85-

documents, the preservation of all rights of the Banks and the Collateral Monitoring Agent, the Issuing Bank, and the Agent the negotiation, preparation, execution and delivery of any amendment, modification or supplement of or to, or any consent or waiver under, any such document (or any such instrument that is proposed but not executed and delivered) and with any claim or action threatened, made or brought against any of the Banks or the Collateral Monitoring Agent, the Issuing Bank and the Agent arising out of or relating to any extent to this Agreement, the other Loan Documents or the transactions contemplated hereby or thereby and including, without limitation, the allocated costs of internal counsel to the Banks with respect to the amending and restating of the Existing Loan Agreement. In addition, the Borrower will promptly pay all costs and expenses (including, without limitation, reasonable fees, costs and disbursements of counsel) suffered or incurred by each Bank in connection with its enforcement of this Agreement, the Loan Documents and the Notes held by it, the L/Cs, Applications, Acceptances, Steamship Guaranties and Airway Releases or any other sum due to it under this Agreement or any of the other Loan Documents or any of its other rights hereunder or thereunder. In addition to the foregoing, the Borrower shall indemnify each Bank and the Collateral Monitoring Agent, the Issuing Bank and the Agent and each of their respective directors, officers, employees, attorneys, agents and Affiliates against, and hold each of them harmless from, any loss, liabilities, damages, claims, costs and expenses (including reasonable attorneys' fees and disbursements, including cost allocated by in-house counsel to any Bank) suffered or incurred by any of them arising out of, resulting from or in any manner connected with, the execution, delivery and performance of each of the Loan Documents, the Loans and any and all transactions related to or consummated

in connection with the Loans, L/Cs, Applications, Acceptances, Steamship Guaranties and Airway Releases, including, without limitation, losses, liabilities, damages, claims, costs and expenses suffered or incurred by any Bank or the Collateral Monitoring Agent, the Issuing Bank and the Agent or any of their respective directors, officers, employees, attorneys, agents or Affiliates arising out of or related to any Environmental Matter, Environmental Liability or Environmental Proceeding, or in investigating, preparing for, defending against, or providing evidence, producing documents or taking any other action in respect of any commenced or threatened litigation, administrative proceeding or investigation under any federal securities law or any other statute of any jurisdiction, or any regulation, or at common law or otherwise. The indemnity set forth herein shall be in addition to any other obligations or liabilities of the Borrower to the Agent and the Banks hereunder or at common law or otherwise. The provisions of this Section 10.1 shall survive the payment of the Notes, L/Cs, Acceptances, Steamship Guaranties and Airway Releases and the termination of this Agreement.

-86-

Section 10.2 Taxes.

If, under any law in effect on the date of the closing of any Loan hereunder, or under any retroactive provision of any law subsequently enacted, it shall be determined that any Federal, state or local tax is payable in respect of the issuance of any Note, L/C, Acceptance, Steamship Guarantee and Airway Release, or in connection with the filing or recording of any assignments, mortgages, financing statements, or other documents (whether measured by the amount of Indebtedness secured or otherwise) as contemplated by this Agreement, then the Borrower will pay any such tax and all interest and penalties, if any, and will indemnify the Banks and the Collateral Monitoring Agent, the Issuing Bank and the Agent against and save each of them harmless from any loss or damage resulting from or arising out of the nonpayment or delay in payment of any such tax. If any such tax or taxes shall be assessed or levied against any Bank or any other holder of a Note, or issuer of an L/C, Acceptance, Steamship Guarantee or Airway Release, such Bank, or such other holder or issuer, as the case may be, may notify the Borrower and make immediate payment thereof, together with interest or penalties in connection therewith, and shall thereupon be entitled to and shall receive immediate reimbursement therefor from the Borrower. Notwithstanding any other provision contained in this Agreement, the covenants and agreements of the Borrower in this Section 10.2 shall survive payment of the Notes, L/Cs, Acceptances, Steamship Guaranties and Airway Releases and the termination of this Agreement.

Section 10.3 Payments.

As set forth in Article 2 hereof, all payments by the Borrower on account of principal, interest, fees and other charges (including any indemnities) shall be made to the Collateral Monitoring Agent at its Payment Office, in lawful money of the United States of America in immediately available funds, by wire transfer or otherwise, not later than 1:00 P.M. New York City time on the date such payment is due. Any such payment made on such date but after such time shall, if the amount paid bears interest, be deemed to have been made on, and interest shall continue to accrue and be payable thereon until, the next succeeding Business Day. If any payment of principal or interest becomes due on a day other than a Business Day, such payment may be made on the next succeeding Business Day and such extension shall be included in computing interest in connection with such payment. All payments hereunder and under the Notes, L/Cs, Acceptances, Steamship Guaranties and Airway Releases shall be made without set-off or counterclaim and in such amounts as may be necessary in order that all such payments shall not be less than the amounts otherwise specified to be paid under this Agreement and the Notes, L/Cs, Acceptances, Steamship Guaranties and Airway Releases (after withholding for or on account of: (i) any present or future taxes,

-87-

levies, imposts, duties or other similar charges of whatever nature imposed by any government or any political subdivision or taxing authority thereof, other than any tax (except those referred to in clause (ii) below) on or measured by the net income of the Bank to which any such payment is due pursuant to applicable federal, state and local income tax laws, and (ii) deduction of amounts equal to the taxes on or measured by the net income of such Bank payable by such Bank with respect to the amount by which the payments required to be made under this sentence exceed the amounts otherwise specified to be paid in this Agreement and the Notes, L/Cs, Acceptances, Steamship Guaranties and Airway Releases). Upon payment in full of any Note, the Bank holding such Note shall mark the Note 'Paid' and return it to the Borrower.

Section 10.4 Survival of Agreements and Representations; Construction.

All agreements, representations and warranties made herein shall survive the delivery of this Agreement, the Notes and any other instruments evidencing Obligations. The headings used in this Agreement and the table of contents are for convenience only and shall not be deemed to constitute a part hereof. All uses herein of the masculine gender or of singular or plural terms shall be deemed to include uses of the feminine or neuter gender, or plural or singular terms, as the context may require.

Section 10.5 Lien on and Set-off of Deposits.

As security for the due payment and performance of all the Obligations, the Borrower hereby grants to Agent for the ratable benefit of the Banks a Lien on any and all deposits or other sums at any time credited by or due from the Agent or any Bank to the Borrower, whether in regular or special depository accounts or otherwise, and any and all monies, securities and other property of the Borrower, and the proceeds thereof, now or hereafter held or received by or in transit to any Bank, the Collateral Monitoring Agent, the Issuing Bank or the Agent from or for the Borrower, whether for safekeeping, custody, pledge, transmission, collection or otherwise, and any such deposits, sums, monies, securities and other property, may at any time after the occurrence and during the continuance of any Event of Default be set-off, appropriated and applied by any Bank or the Agent against any of the Obligations, whether or not any of such Obligations is then due or is secured by any collateral, or, if it is so secured, whether or not the collateral held by the Agent is considered to be adequate, all as set forth in and pursuant to Section 2.17 hereof.

-88-

Section 10.6 Modifications, Consents and Waivers; Entire Agreement.

No modification, amendment or waiver of or with respect to any provision of this Agreement, any Notes, the Security Documents, or any of the other Loan Documents and all other agreements, instruments and documents delivered pursuant hereto or thereto, nor consent to any departure by the Borrower from any of the terms or conditions thereof, shall in any event be effective unless it shall be in writing and signed by the Agent and each Bank and the Borrower except that: (i) any modification or amendment of, or waiver or consent with respect to, Article 4 may be signed only by the Agent and the Majority Banks and the Borrower (provided, however, that the consummation of a transaction by a Bank shall be deemed, with respect to such Loan only, to have the effect of the execution by such Bank of a waiver of, or consent to a departure from, any term or provision of Article 4 that has not been satisfied as of the date of the consummation of such transaction); and (ii) any modification or amendment of, or waiver or consent with respect to, Articles 1, 5, 6, 7, 8 and 10 (other than this Section 10.6) may be signed only by the Agent and the Majority Banks and the Borrower. Any such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No consent to or demand on the Borrower in any case shall, of itself, entitle it to any other or further notice or demand in similar or other circumstances. This Agreement and the other Loan Documents embody the entire agreement and understanding among the Banks, the Collateral Monitoring Agent, the Issuing

Bank, the Agent and the Borrower and supersede all prior agreements and understandings relating to the subject matter hereof.

Section 10.7 Remedies Cumulative.

Each and every right granted to the Collateral Monitoring Agent, the Issuing Bank, the Agent and the Banks hereunder or under any other document delivered hereunder or in connection herewith, or allowed it by law or equity, shall be cumulative and may be exercised from time to time. No failure on the part of the Collateral Monitoring Agent, the Issuing Bank, the Agent or any Bank or the holder of any Note or the issuer of any L/C, Acceptance, Steamship Guarantee or Airway Release to exercise, and no delay in exercising, any right shall operate as a waiver thereof, nor shall any single or partial exercise of any right preclude any other or future exercise thereof or the exercise of any other right. The due payment and performance of the Obligations shall be without regard to any counterclaim, right of offset or any other claim whatsoever that the Borrower may have against any Bank, the Collateral Monitoring Agent, the Issuing Bank or the Agent and without regard to any other obligation of any nature whatsoever that any Bank, the Collateral Monitoring Agent, the Issuing Bank or the Agent may have to the Borrower, and no such counterclaim or offset shall be asserted by the Borrower in any

-89-

action, suit or proceeding instituted by any Bank, the Collateral Monitoring Agent, the Issuing Bank or the Agent for payment or performance of the Obligations.

Section 10.8 Further Assurances.

At any time and from time to time, upon the request of the Agent, the Borrower shall execute, deliver and acknowledge or cause to be executed, delivered and acknowledged, such further documents and instruments and do such other acts and things as the Agent may reasonably request in order to fully effect the purposes of this Agreement, the other Loan Documents and any other agreements, instruments and documents delivered pursuant hereto or in connection with the Loans, including, without limitation, the execution and delivery to the Agent of mortgages in form and substance reasonably satisfactory to the Agent and the Banks covering all real property or interests therein acquired by the Borrower, and all leases of real property entered into by the Borrower as tenant or lessee, after the date of this Agreement, promptly after such acquisition or the entering into of any such lease.

The provisions of this Agreement are severable, and if any clause or provision hereof shall be held invalid or unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in such jurisdiction and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision in this Agreement in any jurisdiction. Each of the covenants, agreements and conditions contained in this Agreement is independent and compliance by the Borrower with any of them shall not excuse non-compliance by the Borrower with any other. All covenants hereunder shall be given

-92-

independent effect so that if a particular action or condition is not permitted by any of such covenants, the fact that it would be permitted by an exception to, or be otherwise within the limitations of, another covenant shall not avoid the occurrence of a Default or an Event of Default if such action is taken or condition exists.

Section 10.12 Binding Effect; No Assignment or Delegation by Borrower.

This Agreement shall be binding upon and inure to the benefit of the Borrower and its successors and to the benefit of the Banks, the Collateral Monitoring Agent, the Issuing Bank and the Agent and their respective successors and assigns. The rights and obligations of the Borrower under this Agreement shall not be assigned or delegated without the prior written consent of the Agent, the Collateral Monitoring Agent, the Issuing Bank and the Banks, and any purported assignment or delegation without such consent shall be void.

Section 10.13 Assignments and Participation by Banks; Issuance of L/Cs by Bank Affiliates.

(a) Each Bank may assign to one or more banks or other entities all or a portion of its rights and obligations under this Agreement (including, without limitation, all or a portion of its Commitment, the Loans owing to it or the other Obligations or L/Cs issued by it, amounts outstanding in respect of outstanding Obligations, and the Note or Notes held by it); provided, however, that: (i) each such assignment shall be of a constant, and not a varying, percentage of all of the assigning Bank's rights and obligations under this Agreement, (ii) the amount of the Commitment of the assigning Bank being assigned pursuant to each such assignment (determined as of the date of the Assignment and Acceptance with respect to such assignment) shall in no event be less than \$5,000,000 (unless such lesser amount is equal to the then outstanding Commitment) and shall be an integral multiple of \$2,500,000, and (iii) each such assignment shall be to an Eligible Assignee. Upon such execution, delivery, acceptance and recording, from and after the effective date specified in each Assignment and Acceptance, which effective date shall be at least 5 Business Days after the execution thereof: (x) the assignee thereunder shall be a party hereto and, to the extent that rights and obligations hereunder have been assigned to it pursuant to such Assignment and Acceptance, have the

rights and obligations of a Bank hereunder, and (y) the Bank assignor thereunder shall, to the extent that rights and obligations hereunder have been assigned by it pursuant to such Assignment and Acceptance, relinquish its rights and be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all or the remaining

-93-

portion of an assigning Bank's rights and obligations under this Agreement, such Bank shall cease to be a party hereto).

(b) By executing and delivering an Assignment and Acceptance, the Bank assignor thereunder and the assignee thereunder confirm to and agree with each other and the other parties hereto as follows: (i) other than as provided in such Assignment and Acceptance, such assigning Bank makes no representation or warranty and assumes no responsibility with respect to any statements, warranties or representations made in or in connection with this Agreement or the execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement or any other instrument or document furnished pursuant hereto; (ii) such assigning Bank makes no representation or warranty and assumes no responsibility with respect to the financial condition of the Borrower or the performance or observance by the Borrower of any of its obligations under this Agreement or any other instrument or document furnished pursuant hereto; (iii) such assignee confirms that it has received a copy of this Agreement, together with copies of such financial statements and such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into such Assignment and Acceptance; (iv) such assignee will, independently and without reliance upon the Agent, such assigning Bank or any other Bank and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement; (v) such assignee confirms that it is an Eligible Assignee; (vi) such assignee appoints and authorizes the Agent to take such action as agent on its behalf and to exercise such powers under this Agreement as are delegated to the Agent by the terms hereof, together with such powers as are reasonably incidental thereto; and (vii) such assignee agrees that it will perform in accordance with their terms all of the obligations which by the terms of this Agreement are required to be performed by it as a Bank.

(c) Upon its receipt of an Assignment and Acceptance executed by an assigning Bank and an assignee representing that it is an Eligible Assignee, together with any Note, Application or other instrument evidencing an Obligation subject to such assignment, the Agent shall: (i) accept such Assignment and Acceptance, and (ii) give prompt notice thereof to the Borrower. Within five Business Days after its receipt of such notice, the Borrower, at its own expense, shall execute and deliver to the Agent in exchange for the surrendered Note, Application or other instrument evidencing an Obligation a new such instrument to the order of such Eligible Assignee in an amount equal to the Commitment assumed by it pursuant to such Assignment and Acceptance and, if the assigning Bank has retained a Bank's Commitment hereunder, a new such instrument to the order of the assigning Bank in an amount equal to the Bank's Commitment retained by it hereunder. Such new instrument shall be in an aggregate principal

-94-

amount equal to the aggregate principal amount of such surrendered instrument, shall be dated the effective date of such Assignment and Acceptance and shall otherwise be in substantially the form of Exhibit A hereto.

(d) (i) Each Bank may sell participations to one or more banks or other entities in all or a portion of its rights and obligations under this Agreement (including, without limitation, all or a portion of its Bank's Commitment, the Loans owing to it, amounts outstanding in respect of outstanding Obligations, and the Note held by it; and

(ii) NatWest may arrange for the issuance of L/Cs

which it is obligated to issue hereunder by an Affiliate of such Bank;

provided, however, that: (x) such Bank's obligations under this Agreement (including, without limitation, its Bank's Commitment hereunder) shall remain unchanged, (y) such Bank shall remain solely responsible to the other parties hereto for the performance of such obligations, (z) such Bank shall remain the holder of any such Note and the issuer of the L/C or other Direct Obligation (whenever issued) for all purposes of this Agreement, and the Borrower, the Agent and the other Banks shall continue to deal solely and directly with such Bank in connection with such Bank's rights and obligations under this Agreement.

(e) Any Bank may, in connection with any assignment or participation or proposed assignment or participation pursuant to this Section 10.13, disclose to the assignee or participant or proposed assignee or participant, any information relating to the Borrower furnished to such Bank by or on behalf of the Borrower; provided that, prior to any such disclosure, the assignee or participant or proposed assignee or participant shall agree to preserve the confidentiality of any confidential information relating to the Borrower received by it from such Bank.

(f) In addition to the assignments and participations permitted under subsections (a) through (d) hereof, any Bank may assign and pledge all or any portion of its Loans and Note to (i) any Affiliate of such Bank or (ii) any Federal Reserve Bank as collateral security pursuant to Regulation A of the Board of Governors of the Federal Reserve System and any Operating Circular issued by such Federal Reserve Bank. Any such assignment shall not release the assigning Bank from its obligations hereunder.

FORM OF FOURTH SUBSTITUTED NOTE

\$ _____

New York, New York
 June __, 1995

FOR VALUE RECEIVED, the undersigned G-III LEATHER FASHIONS, INC., a New York corporation (the 'Borrower'), hereby promises to pay to the order of _____ (the 'Bank') on May 31, 1996 or on such earlier date as is provided for in the Second Amended and Restated Loan Agreement (as such Loan Agreement may be amended, modified or supplemented, the 'Loan Agreement') dated the date hereof between the Borrower, the banks signatory thereto and NatWest Bank N.A., as Collateral Monitoring Agent, Issuing Bank and Agent (in its capacity as Collateral Monitoring Agent, together with its successors and assigns, the 'Collateral Monitoring Agent'), the lesser of (i) the principal sum of (\$ _____) Dollars, or (ii) the portion of the aggregate unpaid principal amount of the Loans (as defined in the Loan Agreement) made by the Bank to the Borrower pursuant to the Loan Agreement, and to pay interest on the unpaid principal amount of each Loan from the date thereof at the rates per annum and for the periods set forth in or established by the Loan Agreement and calculated as provided therein.

All indebtedness outstanding under this Note shall bear interest (computed in the same manner as interest on this Note prior to maturity) after maturity, whether at stated maturity, by acceleration or otherwise, at the Post-Default Rate (as defined in the Loan Agreement), and all such interest shall be payable on demand.

Anything herein to the contrary notwithstanding, the obligation of the

Borrower to make payments of interest shall be subject to the limitation that payments of interest shall not be required to be made to the Bank to the extent that the Bank's receipt thereof would not be permissible under the law or laws applicable to the Bank limiting rates of interest which may be charged or collected by the Bank. Any such payments of interest which are not made as a result of the limitation referred to in the preceding sentence shall be made by the Borrower to the Bank on the earliest interest payment date or dates on which the receipt

thereof would be permissible under the laws applicable to the Bank limiting rates of interest which may be charged or collected by the Bank.

Payment of both principal and interest on this Note are to be made at the office of the Collateral Monitoring Agent at 51 Cragwood Road, South Plainfield, New Jersey 07080 or such other place as the holder hereof shall designate to the Borrower in writing, in lawful money of the United States of America in immediately available funds.

This Note is one of the Fourth Substituted Notes referred to in the Loan Agreement, is secured in the manner provided therein, may be prepaid upon and subject to terms and conditions thereof and is entitled to the benefits thereof.

This Note shall be deemed to be in substitution for and replacement of, and not a repayment of the Note dated November 22, 1994 made by the Borrower payable to the Lender (the 'Prior Note') and all interest accrued and unpaid under such Prior Note shall be deemed evidenced by this Note and payable hereunder from and after the date of accrual thereof. The execution and delivery of this Note shall not be construed (i) to have constituted repayment of any amount of principal or interest on the Prior Note, or (ii) to release, cancel, terminate or otherwise impair all or an part of any lien or security interest granted to the Banks party to the Loan Agreement or their agents as collateral security for the Prior Note.

Upon the occurrence of any Event of Default, as defined in the Loan Agreement, the principal amount of and accrued interest on this Note may be declared due and payable in the manner and with the effect provided in the Loan Agreement.

The Borrower shall pay costs and expenses of collection, including, without limitation, attorneys' fees and disbursements in the event that any action, suit or proceeding is brought by the holder hereof to collect this Note.

THIS NOTE SHALL BE GOVERNED BY, AND CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK WITHOUT REGARD TO ITS RULES PERTAINING TO CONFLICTS OF LAWS.
