NEW YORK, March 12, 2026 (GLOBE NEWSWIRE) -- G-III Apparel Group, Ltd. (NasdaqGS: GIII) ("G-III" or the "Company") today reported results for the fourth quarter and full fiscal year 2026, ended January 31, 2026.

Morris Goldfarb, G-III's Chairman and Chief Executive Officer, said, "Fiscal 2026 was a pivotal year for G-III. The strength and global recognition of our brands, together with a disciplined operating model and strong balance sheet, enabled us to deliver solid performance despite a challenging environment. For the full year, our go forward portfolio produced strong results, led by our key owned brands, with higher quality revenue, improved full-price sell-throughs, and accelerating global relevance throughout the year. I am proud of the results our team delivered and the meaningful progress we made advancing our long-term strategy."

Mr. Goldfarb concluded, "Looking to fiscal 2027, we are building on the momentum of our go-forward portfolio, which we expect to deliver high-single digit growth for the year, helping to offset the significant lost sales as we exit the Calvin Klein and Tommy Hilfger businesses. We are focused on driving gross margin expansion while streamlining our cost structure to unlock productivity and profitability across the business. With over \$400 million of cash on the balance sheet, we enter fiscal 2027 from a position of strength, giving us the flexibility to invest in our own business as well as strategic opportunities, while continuing to return capital to shareholders."

Non-GAAP net income is a “non-GAAP financial measure” that excludes (i) in both fiscal 2026 and 2025, asset impairments, (ii) in fiscal 2026, professional fees related to a potential strategic opportunity that did not come to fruition, (iii) in both fiscal 2026 and 2025, one-time severance expenses related to a closed warehouse, (iv) in fiscal 2025, the write-off of deferred financing costs related to the redemption of our Senior Secured Notes (the “Notes”) and (v) in fiscal 2025, the gain on the forgiveness of certain liabilities related to the acquisition of the minority interest of our DKNY business in China that we did not already own. For fiscal 2026, the income tax impact of non-GAAP adjustments is calculated using the applicable statutory tax rate for the respective period. For fiscal 2025, the income tax impact of non-GAAP adjustments is calculated using the effective tax rate for the period. Management believes that these non-GAAP financial measures provide meaningful supplemental information regarding our performance by excluding items that are not indicative of our core business operating results. Management uses these non-GAAP financial measures to assess our performance on a comparative basis and believes that they are also useful to investors to enable them to assess our performance on a comparative basis across historical periods and facilitate comparisons of our operating results to those of our competitors. The presentation of this financial information is not intended to be considered in isolation or as a substitute for, or superior to, the financial information prepared and presented in accordance with GAAP.

(1) Represents adjustment for shares used to calculate diluted earnings per share. Due to our recording a GAAP net loss for the fourth quarter of fiscal 2026, diluted shares is the same as basic shares for GAAP. When applying non-GAAP exclusions, our results move from a net loss to net income position.

Non-GAAP diluted net income per common share is a “non-GAAP financial measure” that excludes (i) in both fiscal 2026 and 2025, asset impairments, (ii) in fiscal 2026, professional fees related to a potential strategic opportunity that did not come to fruition, (iii) in both fiscal 2026 and 2025, one-time severance expenses related to a closed warehouse, (iv) in fiscal 2025, the write-off of deferred financing costs related to the redemption of the Notes and (v) in fiscal 2025, the gain on the forgiveness of certain liabilities related to the acquisition of the minority interest of our DKNY business in China that we did not already own.
