If the Performance Conditions are both satisfied, we will issue to an above-named grantee of restricted stock units one-third of the shares of common stock to which he is entitled under his grant on each of June 15, 2019, 2020 and 2021, but only if he remains employed by us or otherwise performs service for us on each vesting date. If both Performance Conditions are not satisfied within the above-described time periods, we will not issue any shares of common stock pursuant to the restricted stock unit grants. If both Performance Conditions are satisfied at any time during the above-reference time periods, we will issue shares of common stock in respect of all annual installment periods of the Time Vesting Condition for which shares have not previously been issued.
